

## **Always A Big Hit**

**Dan Boever ranks among the most popular performers on the golf exhibition circuit.**

**Known for his quick wit and amazing repertoire of trick shots, Boever can light up an audience like few others in the golf entertainment business. There's a bounce in his step, a sparkle in his eye and impish grin on his face as he works his magic through the bag. Whether Boever's blasting his driver nearly 400 yards or his putter nearly 300 yards, he keeps the one-liners coming.**

**His showmanship is infectious – and unforgettable. His antics are so amusing and engaging that, beginning in late 2005 The Golf Channel devoted a 30-minute special, "Outasight Trick Shot's," to Dan Boever's shtick. The show drew rave reviews. Now Dan can be seen weekly on "The Turn", a very successful Golf Channel production.**

**With multiple drives of 400 plus yards and a personal best of 473 yards, Boever registered the 4th longest drive ever at the RE/MAX world finals in 1997 – 425 yards at the Casablanca Resort in Mesquite, Nevada. His combination of power and personality made his selection for the elite distance teams formed by Pinnacle and Cobra a no-brainer.**

**He's sure to keep the gallery in stitches and fans on his side. Dan Boever never met a stranger he didn't convert into a fast friend. That explains why hundreds of corporations and charities, when booking a headliner for their golf outings, borrow a page from old-time television: They leave it to Boever.**

**"Dan Boever may be the top entertainer in golf. In 80 shows and exhibitions per year, he is 50 percent long driver, 50 percent comedian and 100 percent wildman "**
